

# Roland Hayes Sings for Negro Youth Congress at Town Hall

*Angela Herndon Calls On All Negroes and Friends for Support*

By Angela Herndon

Roland Hayes, greatest Negro tenor, will give his first benefit performance in support of the fight of the Negro people for liberation, Saturday, Oct. 24, at Town Hall. All Negro youth should welcome his progressive work on the part of Mr. Hayes. The young people of the Southern Negro Youth Congress—in whom the proceeds of this benefit will go for furthering their work in the South will certainly be encouraged to know that they have friends in all parts of the country.

I for one feel that not only should young white and Negro male lovers attend for the great purpose of listening to Mr. Hayes' rich and mellow voice, but just as Mr. Hayes is contributing to the work of the Southern Negro Youth Congress, large numbers of Negro and white people can support the cause of the Southern Negro Youth Congress by filling Town Hall to capacity. I feel sure that everyone will have a delightful evening with such rare and unusual talent

as Mr. Hayes'.

I would especially urge all Negroes and friends of the Negro people to be present. Those who have never heard Mr. Hayes will be thrilled immensely. Those who have heard him will again be moved by Mr. Hayes' penetrating voice. Moreover he will sing songs that will express, in its musical way, some of the ideals and aspirations that the young people in the Southern Negro Youth Congress are striving for.
